67th Annual Meeting of the Society for Medicinal Plant
and Natural Product Research (GA),
September 1-5, 2019 Innsbruck, Austria

WELCOME

Dear Sir/Madam,

The 67th Annual Conference of the Society for Medicinal Plant and Natural Product Research (GA) will be held in Innsbruck, Austria, from 1st to 5th of September, 2019.

GA is the largest scientific society in its field in Europe (<https://www.ga-online.org/>). We are expecting 600 to 800 international participants at this conference which will be one of the largest worldwide in the area of natural products research, medicinal plants and phytotherapy, food and natural product biochemistry, cosmetics, natural product analysis and formulation. For more details please visit our congress website www.ga2019.at.

The annual conferences of the GA wouldn't be possible without the support of our industrial sponsors. You and your company can contribute to make this meeting a successful event. There are various ways by which you could support the conference, by financial contributions, by sponsoring an invited speaker, with an exhibition booth where your company presents products and services, or by other ways that we are happy to discuss with you.

Starting from six square meters of exhibit space, we offer you a wide range of potential support to connect with innovators, decision makers, consumers and the media by exhibiting at GA 2019.

Become a sponsor or exhibitor at GA 2019 in Innsbruck, Austria and showcase your products and services to the participants.

For any queries please contact Mr Ralph Kerschbaumer from our exhibition organizers appointed.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'H. Stuppner', is written over a light blue horizontal line.
